Trainer Profile

Jobs For Students!

Hospitality Training Australia in partnership with the Restaurant & Catering Association of Victoria builds a Web Profile for all of its students and publishes them on their specialist Hospitality Hire website.

Visit http://www.restaurantcatervic.asn.au/hospitality_hire/About.html . This website is visited by thousands of Restaurants, Cafes and Catering companies in Melbourne and is successfully helping our student's gain the practical work hours they require to complete their qualifications.

Domenico Tellatin (Chef)

Articulation Arrangement

Hospitality Training Australia has signed an articulation arrangement with Carrick Higher Education for students graduating from the diploma in Hospitality Management into the Carrick Higher Education Bachelor of Business (Hospitality) course. Students who successfully complete the Diploma may receive up to 8 subjects credited towards the degree which reduces the number of subjects fees payable by one third.

Hospitality Training Australia would like to introduce Domenico Tellatin who heads our team of chefs. He has over 25 years experience in the hospitality industry working within the best restaurants and five star hotels across Italy, France and England.

Domenico's passion for cooking and training ensure students receive excellent, industry specific training.
